

APRIL 2023

Lemurs

<p>We have completed our unit on Dinosaurs and we are moving in to our unit on Under the Sea. We will spend our month learning about creatures in the ocean as well as celebrating Easter. We incorporate letters, numbers and colour recognition into our activities at school. With a week off for our Spring Break we are hoping that winter will make its final exit and Spring will be in the air. We will also have a special guest joining our class to teach us about Oral Health. We look forward to her presentation and to tell you all about what we learn.</p> <p>A reminder to still dress your child for the weather. Mittens and a toque should always be with them because it might be sunny but that wind is very biting. Little fingers and toes get cold very easily.</p> <p>***We are a non-profit organization and our fundraising includes: COBS Bread, Mabel's Label's and Scholastic Books.</p>	<p>3 M is for Mermaid Craft</p> <p>M grab bucket and printing practice</p> <p>Make our own Easter Baskets</p> <p>Story: Monkeys Miserable Monday</p>	<p>5 EASTER PARTY!!!</p> <p>Make our own Easter eggs</p> <p>Story: Pete the Cat Big Easter Adventure</p> <p>Song: BUNNY Song</p>	<p>7</p>
