

April 2023

Meerkats

<p>We have completed our unit on Dinosaurs and laughing at our teachers as they try to pronounce their names. We are now moving on to our unit called Under the Sea. We will spend our month learning about creatures in the oceans as well as celebrating Easter. We incorporate letters, numbers and colour recognition into our activities at school. We continue to work on printing our names and being independent to get dressed without help from an adult. We will be working on fine motor skills, gross motor skills, problem solving, following directions and pencil grasp with all the activities we do. We will also have a special guest joining our class to teach us about Oral Health. We look forward to her presentation and being able to tell you all about what we have learned.</p> <p>With a week off for our Spring Break we are hoping that winter will make its final exit and Spring will be in the air.</p> <p>A reminder to still dress your child for the weather. Mittens and a toque should always be with them because it might be sunny but that wind is very biting. Little fingers and toes get cold very easily.</p> <p>***We are a non-profit organization and our fundraising includes: COBS Bread, Mabel's Label's and Scholastic Books.</p>	<p>3 Make our own Easter Baskets</p> <p>Easter Bingo Dabber Picture</p> <p>Story: Easter Bunny's on His Way</p> <p>Song: BUNNY Song</p>	<p>5 EASTER PARTY!!!</p> <p>Make our own Easter eggs</p> <p>Story: Pete the Cat Big Easter Adventure</p> <p>Song: Little Rabbit Foo Foo</p>
